StarTech.com

Spec Sheet

The StarTech.com Advantage:

Support and Resources: Single point of contact for all your questions; exclusive online tools and free live technical support

Save Time Sourcing: A complete selection of high-demand and hard-to-find products from one vendor

Best Value: StarTech.com products offer the best combination of features and price

Exclusive Resources: Complete product information and tools available at www.startech.com

6 ft DB9 Fibre Channel Cable
StarTech ID: FIBCLDB9_6

Don't let cabling be the bottleneck that slows down your network. Our Fibre Channel cables offer superior performance, with up to 2 Gigabits/sec (duplex) of serial data transfer. With enhanced data transfer rates and increased reliability, these cables are the optimal solution when large-scale, high-speed data transfer is needed.

Applications and Solutions
> High performance fibre channel cable designed for bi-directional, serial data communication between servers, mass storage s
> Ideal for Storage Area Networks (SAN), Wide Area Networks (WAN), computer clusters and other data intensive computing e

Features
> Backed by StarTech.com lifetime warranty
> Data transfer rate of up to 2 Gbits/sec in full-duplex mode
> Flexible PVC jacket
> Ideal for serial data communication between servers, mass storage subsystems and other peripherals
   (hubs, switches and point-to-point connections) using Fibre Channel interface
> Supports SCSI RAID devices with Fibre Channel interface
> Works with existing SCSI drives and acts as a SCSI to Fibre Bridge

Specifications

> Connector A 1 - DB9 Male

> Connector B 1 - DB9 Male

> Color Black

> Product Length 6 ft [1.83 m]

> Shipping (Package) Weight 0.29 lb [0.13 kg]

> Length 6 ft

> Connectors Connector A: DB9 (Male)

> Connector B DB9 (Male)

> Jacket PVC

> Conductor 28 AWG

> Insulation Polyolefin
